

Project Manager

Location: Isleport

Salary: £45,000 - £55,000 DOE

Closing Date: Friday 30th August 2019

So what will I be doing?

As Project Manager, you will be joining a distinctive, ambitious and trusted manufacturing company that is committed to making great British dairy the right way. Forever.

Working closely with the Supply Chain Director you will be responsible for delivering assigned projects in accordance with time, cost and quality requirements. Excitingly, we have recently purchased a brand-new site in Isleport, so your first key project will be to take the lead on getting it ready for our employees to move into.

Key responsibilities will include:

- Developing and managing projects with the appropriate stakeholder groups
- Proactively seeking to identify potential benefits and assisting in the creation of the business case
- Providing effective leadership to the project team and being the central point of contact for all project enquiries
- Supporting and contributing to process improvements and ensure all activities are performed in accordance with the relevant company processes and agreed project quality standards
- Producing accurate, reliable and timely weekly and monthly reports for each project
- Managing internal and third-party resources on and off site, including external sub-contractors

Sounds interesting, what do I need?

- Excellent communication, engagement and stakeholder management skills
- Proven ability to drive through projects to successful and timely completion
- Good interpersonal and demonstrable leadership skills
- Significant project management experience with supporting qualification (APMP, PRINCE2)
- Experience of project management within a manufacturing environment
- Experience of working across multiple functions/workstreams

Desirable:

- Understanding of IT project management
- Understanding of MS Dynamics AX

How do I apply?

To apply please send a copy of your CV and a covering letter to careers@yeovalley.co.uk

Closing date: Friday 30th August 2019

Preferable start date: September 2019

Please bear in mind that our closing dates are used as a guide for when the application window is expected to close. We reserve the right to close the application window sooner than the date displayed if we can. **We therefore recommend that you get your application in straight away – and don't miss the opportunity to join us!**

Why should I join the family?

At Yeo Valley we are independent, British and proud to be making the highest quality yogurts, desserts and ice cream under the Yeo Valley brand and for many of the UK's major retailers. Operating from four dairies and two logistics centres in Somerset and Devon, we employ over 1700 staff and produce more than 25% of the UK's packaged yogurt.

We're sure you don't need convincing, but there's a whole host of benefits that we offer including: 25 days' holiday, plus bank holidays, pension scheme, healthcare, cycle to work scheme, subsidised products and services and preferable rates with our partners.
